WHO WE ARE

Nha Be Garment Corporation - NBC is one of the leading enterprises of the Vietnam textile and garment industry. Having been established for many years, we have become strategic partners with international corporations in the field of textiles and fashion.

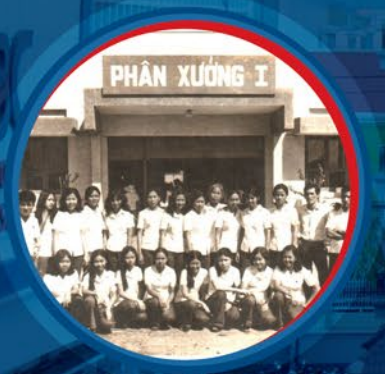

DESIGNED by people
CREATED by systems

OUR STORY

Nhabe Garment Corporation was established in 1973 with two original factories. After 1975, the Ministry of Light Industry renamed these two units and received them into the Garment Factories Processing Zone.

In June 1980, the Ministry of Light Industry decided to merge these two factories and established Nha Be Garment Factory. At that time, the workforce numbered about 200 people.

In March 1992, the Ministry of Industry decided to establish Nhabe Garment Company. In 2005, Nhabe Garment Factory was reformed according to equitization.

SERVE CUSTOMERS BETTER AND BETTER.

FOB DIVISION

At FOB, all elements of business infrastructure, international standards of production facilities are created to produce core products such as Men's and Women's suits, Wool jackets, Blazers, Shirts, Skirts and Dresses. The FOB Division can provide customers with materials that are designated or sourced by FOB from domestic and foreign resources.

All of our production of garments are distributed in system of more than 38 specialized advanced production facilities. Located throughout Vietnam's Central Highlands to Ho Chi Minh City and the provinces in the Mekong River Delta.

Our sample sewing room is complete with all necessary equipment, combined with a team of professional technicians who can manage all product samples for our customers. In addition, NBC is also staffed with multi-national management experts, fluent in English, with professional skills, who have many years of experience in operating garment production, retail and design.

WITH A TEAM OF HIGHLY QUALIFIED
AND CREATIVE PROFESSIONAL
DESIGNERS, WE CAN TURN OUR
CUSTOMERS' WISHES INTO REALITY.

ODM DIVISION

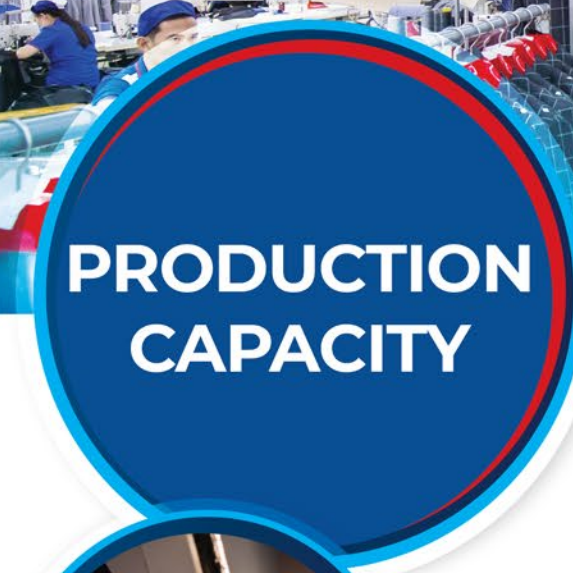

ODM Division with many years of experience in providing professional services includes: FOB service, full design, sourcing of fabrics, trends, sample production facilities, technical support, sales & full production capacity from our own network of factories. We offer a wide range of products from formal clothing for Men and Women, Jackets, Blazers, Skirts, Dresses, Shirts, Blouses and more.

SOURCING AND MATERIAL SUPPLY

We partner with reputable suppliers and manufacturers around the world to provide the most suitable and diverse materials. Research is evaluated regularly to select fabrics based on quality and for the trend. Besides finding and exploiting various sources of raw materials such as fabric, thread, buttons, zippers and yarn from the leading suppliers in the world, we also operate our own systems of production of raw materials.

Based on that foundation, we created a modern raw material warehouse to be ready to fully meet the needs of processing orders for FOB and ODM products according to the current global trend.
